WORKSHOP OBJECTIVES

Under the Constitution of Pakistan, Sales tax on services has historically remained a Provincial domain which led to promulgations of Sales Tax on Services Ordinances, simultaneously each Province in the year 2000 levy taxes on few services. Later on other services were also added through other modes like Federal Excise etc. The chargeability of sales tax remained with Provinces, but the assessment and collection powers were assigned to FBR.

After constitutional reforms through 18th amendment in the Constitution of Pakistan and consensus developed among the Federation and provinces on sales tax on services being entirely provincial domain, the Government of Sindh took initiative and promulgated Sindh Sales Tax on Services Act, 2011. Now, the Government of Punjab will also manage, administrate, levy, assess and collect Sales Tax on Services under Punjab Sales Tax on Services Act, 2012 w.e.f July 01, 2012. Punjab Government will collect sales tax on the 'taxable services' in respect of services provided, rendered, initiated, **RECEIVED AND CONSUMED IN PUNJAB.**

Telecommunication, Hotels, restaurants, clubs/caterers, Advertisements, Port related services, Custom Agents, Courier services, Banking and non-banking services, Franchise services, Insurance, Money exchangers and Stock Brokers are to be taxed under the Punjab Sales Tax on Services Act, 2012.

The workshop aims at to review, discuss and understand the salient features of this new law alongwith comparison with existing Sindh Sales Tax on Services Act, 2011, and its implication on other provinces like Sindh, KPK and Balochistan etc. At the end of the session the participants will be able to deal with day to day matters relevant to provincial sales tax and changes required in their existing taxation system in a professional manner.
