

**About Softax**

Softax (Pvt) Limited formerly "NIU Center for Business Learning" has been established in 1997 with an objective to part with affordable quality training in the fields of Taxation, Corporate Laws, Internal Audit, Information Technology, HRM, Accounting, Finance etc. by using a unique training concept of "learning for solutions". Today Softax is proud to have trained over 17,000 Corporate and Non-corporate Executives and arranged more than 650 workshops and short courses throughout Pakistan.

**Softax's Mission**

At "Softax" we strive to create value for our students/participants through delivery of Quality education and training based on practical solutions by dedicated professionals and staff. We optimally utilize our resources in order to achieve the highest level of stakeholders' satisfaction; while maximizing professional education advancement and generating a competitive economic return.

**About CTL**

Considering the need and repeated demand of business community, corporate employees, Lawyers, Tax Consultants and others involved directly or indirectly in taxation matters, once again after successful completion of more than 60 batches from the platform of NIU, Softax once again offering

Certificate in Taxation Law (CTL), a course of two months duration with an aim to equip the participants to handle with confidence their tax matters in a professional way, like; scope of taxation laws, strategic tax planning, manual and electronic preparation and submission of returns/statements, e-filing procedures, maintenance of records, computation of taxable amounts, handling notices, audit, assessment & appeals and other day to day issues relevant to income tax, sales tax and corporate matters.

**What does CTL aims at?**

To provide in-depth knowledge of updated Income Tax & Sales Tax Laws

- To provide requisite knowledge of the Companies Ordinance, 1984 for handling day to day matters of a company.
- To enlighten all major aspects of respective tax statutes and develop skills for making strategic tax planning,
- To deliver comprehensive knowledge of the statutes through hands-on-training, practical examples and case studies,
- To enable the participants to handle day to day tax matters of their own business, employer, clients etc. in a professional way.
