This day long comprehensive session aims at to review, discuss and understand each and every transaction subject to withholding tax under Income Tax Ordinance, 2001 in the light of legal provisions, notifications, Circulars, FBR's clarifications and Higher Courts' Judgments to resolve day to day practical issues of the Withholding Agents including but not limited to monitoring u/s 161/162 and harsh recovery proceedings.

At the end of the session the participants will be able to handle their day to day withholding tax matters in a professional manner, resultantly the compliance level will be improved and chances of heavy penalties/prosecution will be minimized.
