OBJECTIVES

Generally it seems that the person dealing with salary taxation of employees of an organization carries general understanding of taxation matters but facing problems in handling complex issues like adjustment of other taxes paid by the employees, tax credits, deductible allowances, previous years' refundable amount of taxes, treatment of retirement benefits, loans to the employees, transfer of assets etc.

This workshop is being organized where complex salary taxation matters for Tax Years 2023 shall be discussed in the light of Income Tax Ordinance, 2001, Income Tax Rules, 2002 and Superior Courts' Judgments.

This session is equally important for person dealing with their own matters of salary taxation and withholding agents as it will provide participants skills and knowledge to review and calculate correct annual income tax on salary before year. In this way, excess payment of tax could be avoided and actual tax could be paid in compliance of Income Tax Ordinance, 2001 which will eventually save from burden of undue taxes.
