Objectives:

FBR Introduced new Income Tax Return and Wealth Statement for Tax Year 2026 requiring additional information as compared to previous years. Timely review and understanding of the return and wealth statement shall enable us to arrange the required information for preparation and filing of return within due time.

This session will provide step by step understanding on account of preparation and submission (through e-filing) of the income tax return, wealth statement and wealth reconciliation statement alongwith computation of taxable income under different heads of income. To avoid after filing inconveniences the understanding between the participants will be developed through review, discussion, practical examples and technical aspects of the return and wealth statement.
